PROLOGUE

WITH THIS EDITION of the Dallastown High School year-book we start the modern age of electronics, atomic energy, and supersonic travel which has caused unrest among nations. . . . We, the Class of 1951, looking to the future, strive to do our part to work diligently for peace for the world that these scientific developments have made so small.

DEDICATION

MR. CHARLES C. LEBER

WE, THE CLASS OF '51, wish to dedicate our edition of the Spectator to Mr. Charles C. Leber, a man who has faithfully served Dallastown High School. Mr. Leber, although he was never our advisor, always helped us when necessary. He is a person who never favors one but helps all. For this reason the Class of '51 takes great pride in dedicating this yearbook to him.

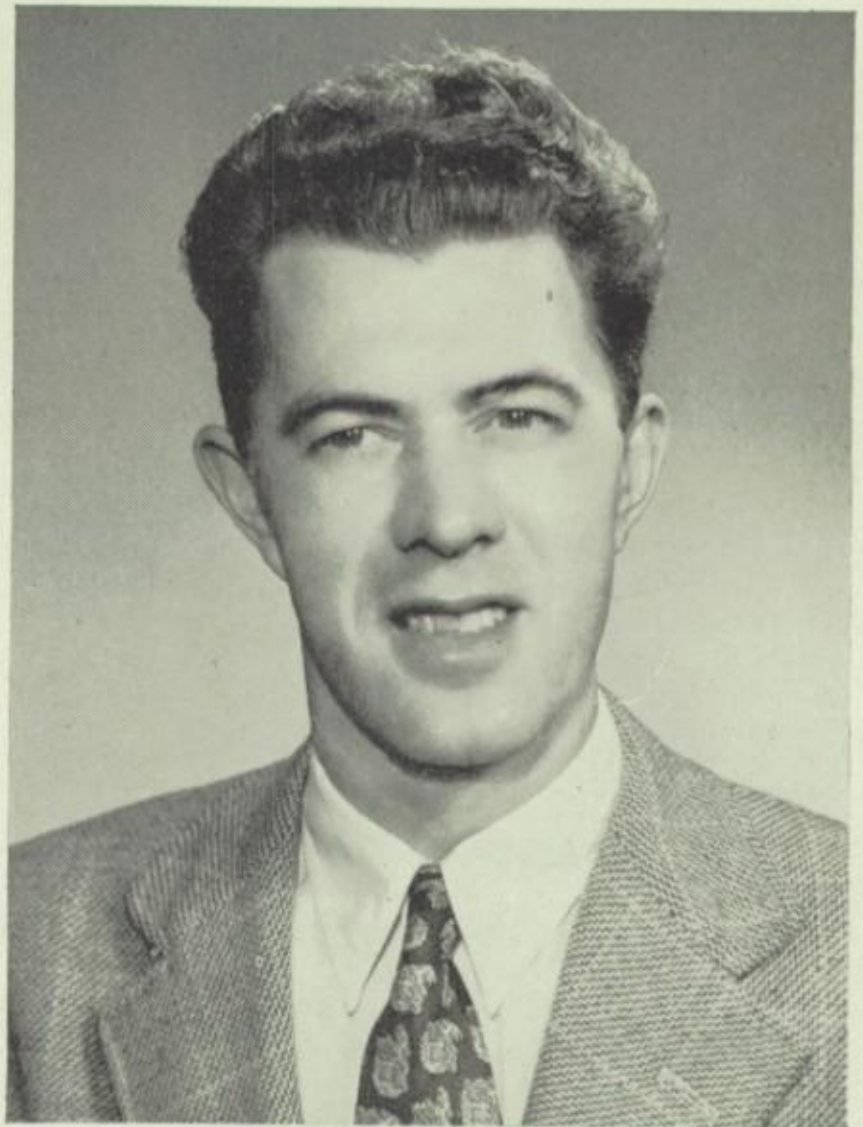

APPRECIATION

MRS. WILLIAM RICHARDSON

We, the Staff of the 1951 Spectator, wish to express our deep appreciation and gratitude to Mrs. William Richardson, our yearbook literary advisor. Many were the problems which she encountered in the course of her work, but every one was met with determination and patience. Through this fine work she has greatly added to our yearbook. For this and the invaluable time she has spent working with us, we are very thankful.

We, the Class of '51, wish to extend our appreciation to Mr. Albert Brayman, junior class advisor. Although a newcomer to D. H. S. Mr. Brayman has helped us considerably in our last two years of high school. He has given much assistance to our school activities and has ironed out many difficult problems in the editing of the Beacon. Many thanks, Mr. Brayman, for your fine work.

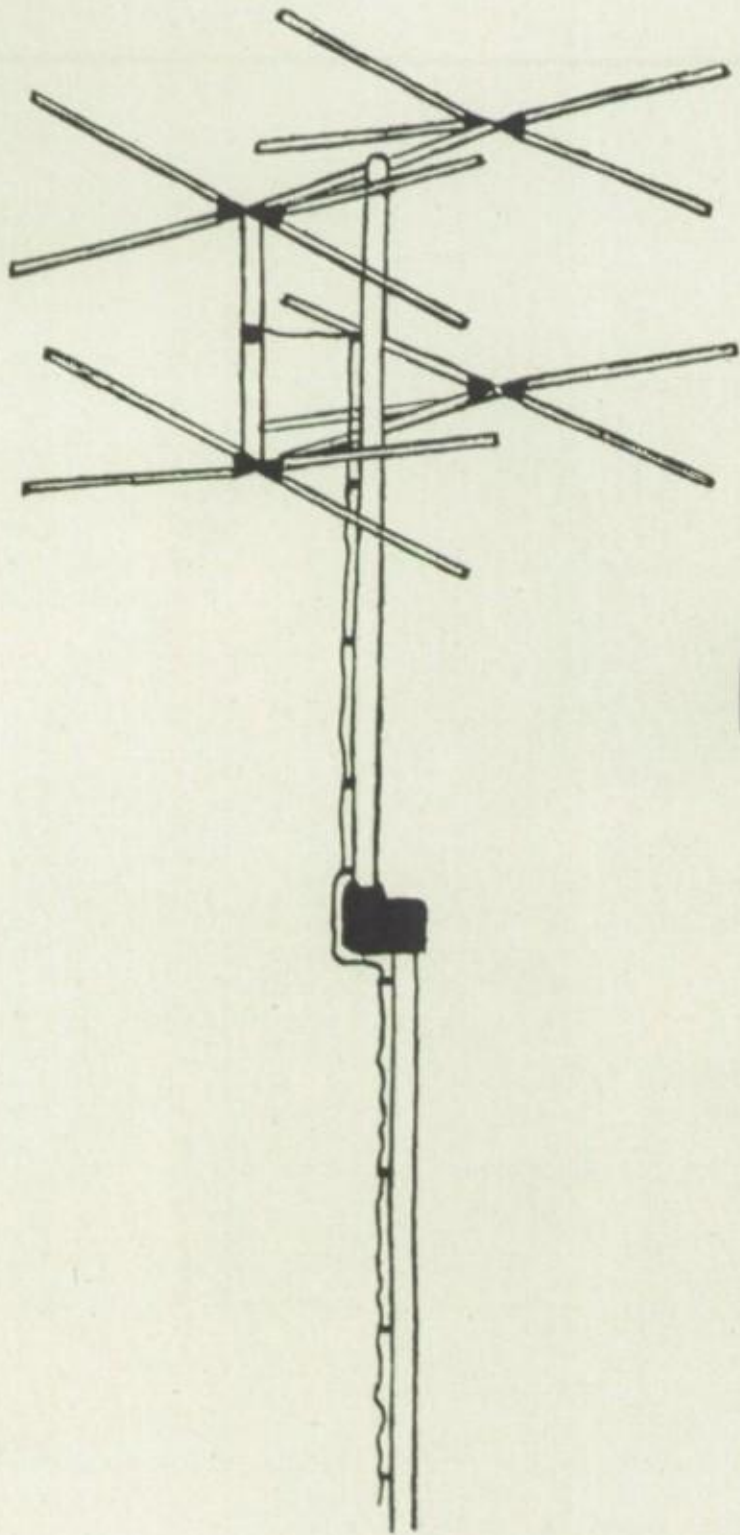

MR. ALBERT BRAYMAN

OUR SCHOOL

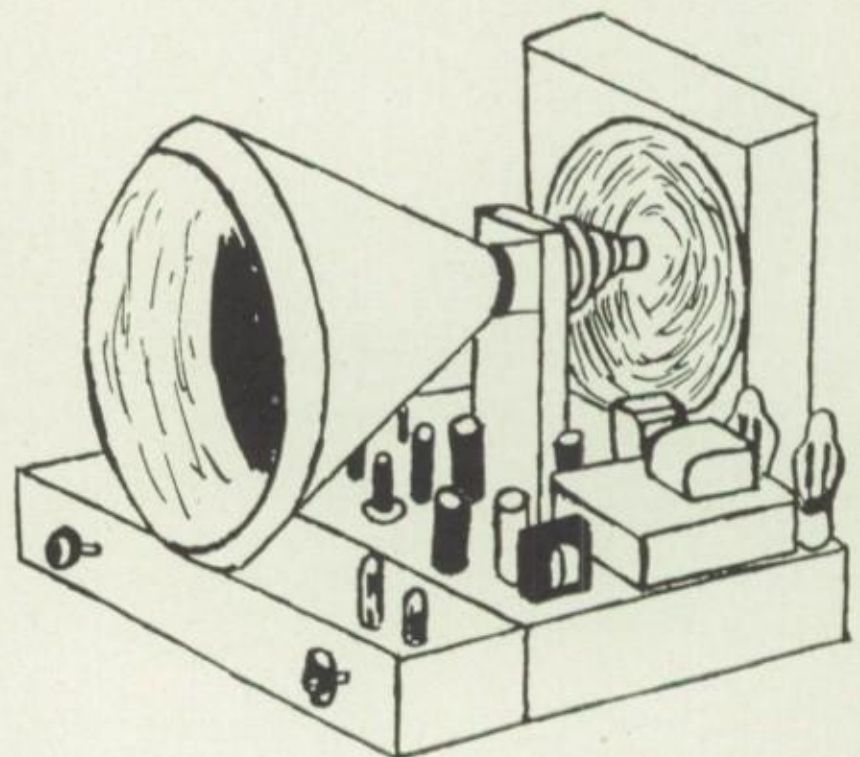

DALLASTOWN HIGH SCHOOL . . . which was built in 1898, and has since received many additions, will always be remembered by our Senior Class.

ADMINISTRATION

WITHOUT an antenna, tubes, wires, and connections, a television set would be of no value to us. What opportunities for learning and developing would there be in our school without a Board of Education, Principal and faculty? The Class of 1951 gratefully acknowledges our debt to them for their effort in guiding us through our high school days.

Members of the Class of 1951:

ANY SOCIETY has a set of values which it cherishes and which it seeks to pass on to the oncoming generation as part of culture. In part, these values are transmitted from one generation to another through the school's. It is through this transmission that you, as youth, learn.

First among these values is a love of country and a willingness to defend it. In addition, society passes on to you through its schools an understanding and an appreciation of the perplexing economic, governmental and social problems which confront you. Its foremost hope is that you have acquired a willingness to share in the solution of these problems for a common good. Another value is the acquisition of cultural and personal resources which will enable you to use wisely for personal and social enjoyment the ever increasing amount of leisure time.

Through the processes of learning you have acquired a knowledge of proper health standards so vital to self and community. You have obtained the ability to use the tools of civilized living—sometimes known as the three R's—better than any past generation. Through the priority of religion you have learned to be reverent. This should provide inspiration for worthy Christian living.

These constitute a few of the values and resources which a democratic society passes on to youth through its schools. The total provides for the transition from dependence to self-reliance. The process may be called induction into adulthood.

As you go along the given path of time, you must develop an understanding of our social order so that you can take part skillfully and effectively in its cultural plan. Its inflexible natural laws and its maladjustment will severely test your abilities, yet you dare not fail for future generations are dependent on your understanding designed for peace and contentment.

AS WE, the Class of 1951, turn back the pages of our past years together, we can surely feel satisfied of a job well done. And as we come to the end of our school days together, we feel a strong bond among us as schoolmates and as a class. A stronger bond, however, probably exists between the class and its teachers, for without their fine teaching and their wise judgments and leadership we probably would have literally "dug our own graves." Therefore, let us turn "Father Time" backwards for a little while and look into the past.

Upon entering our first year of high school as confident but very unwise freshmen, we found ourselves under the sympathetic guidance of Misses Barr and Perry. To lead us through the school year, we placed ourselves under the capable hands of Jon Smeigh, president; John Philip Gable, vice president; Shirley Huson, secretary; and Ruth Holtzapple, treasurer. We also were represented in the student governing body by Donna Stabley and Martha Rojahn.

As a class project for the gym fund we decided to hold a paper drive which was quite successful. We also held what we called a "pencil drive," in which we sold pencils also for the gym fund. Then, to break up the monotonies and hardships of schoolwork, we held a thoroughly enjoyable hayride. After a rather busy and fruitful year as freshmen, we felt quite ready to go on as

sophomores. Our year ended with a trip to Hershey, where, among the hot dogs, canoe rides, and other entertainments, the class said "adieu" to scholastic worries for the summer months.

The next September found us once more back in good old "Alma Mater." Once again the task of choosing our officers for the year confronted us. We finally chose as president, Don Flinchbaugh; vice president, Jon Smeigh; secretary, Shirley Huson; treasurer, Mary Baeckel; and student council representatives, Donna Stabley and Charles Geesey. Benefiting from the prudent judgments of Mr. Kehm and Mrs. Wagner, we sponsored, as our class project, a movie at the Dallas Theater. All proceeds went to the rapidly rising gym fund. In order to fatten our own class treasury we once again held a paper drive which was quite successful. As the break in our academic worries this year we chose to hold a skating party at the Playland rink. The party was thoroughly enjoyed by all. One of the high spots of the year, however, was the ceaseless attention given to the building of the new, modern gym. Once again we journeyed to Hershey at the close of the term, thus ending another year of our schooling.

We returned the next fall saying bon jour to five new teachers and renewing acquaintance with everyone in general. With Miss McDowell and Miss Barr giving advice

CLASS HISTORY

wherever needed, the class entered the busiest year we had yet encountered. On Ronald Heindel's capable shoulders, we placed the presidency of the class, John Gable as vice president, Ruth Holtzapple as secretary, and Louise Strausbaugh as money-tender served our president very faithfully. Martha Rojahn, Charles Geesey, and Donna Stabley were outstanding members of the student council.

A soup sale was held as our project of the year, and after quite an ordeal in obtaining chickens and cooking the soup, the sale finally turned out to be quite successful. Ordering and getting our class rings and picking the yearbook staff were other fine points of the year. Also included in the year's activities was another trip to Playland, again an enjoyable one.

Our class play, "So Help Me Hanna," directed by Miss McDowell, was very well received, and it unearthed some promising young actors and actresses. The end of the year also brought Junior-Senior Prom time and after much scurrying and scamping to get the gym decorated in time, we all decided that it was the best ever. The annual trip to Hershey was probably an anti-climax to a busy and fun-giving year.

And then, after a *bon été*, we finally entered the year of all years, the senior year. Mr. Winemiller, as always, was a worried financial advisor, and a terrific class advisor.

To lead us through our final year we chose: John Gable, president; Ronald Heindel, vice president; Peggy Mood, secretary; and Louise Strausbaugh, treasurer. Our representatives in the student council were Donna Stabley, Charles Geesey, and Martha Rojahn.

The class yearbook, of course, was the worry of the year, but getting pictures taken, picking announcements and name cards, choosing a class motto, flower, and colors, also were high in the minds of all of us.

Now, as the end of our high school days draws to a close, we can hardly realize that four years have passed so quickly. However, we now feel that we are ready to face the troubled and weary world into which we shall plunge. We are prepared to face this world, not because we have prepared ourselves, but because our teachers, our guiding lights, have constantly endeavored to make us strong in mind and body so as to be able to combat this world. We, as a class, wish to thank them for a job well done.

Thus ends the history of the Class of 1951. As we say goodbye to each other, we shall keep in mind the years of happiness we have had together. We will now go out and continue to be loyal to our school and ourselves as Alumni of D. H. S. We say *au revoir*.

CLASS POEM

Dear old Alma Mater,
Our time has come to go,
Somehow we kind of hate to,
We'll miss you, we know.

We'll remember forever
All the happy days
We spent within you,
As we go our separate ways.

Things that you have taught us
Will always be our guide,
Though our paths may take us
From you, far and wide.

Friendships made within you
Will linger o'er the years,
And memories of happy hours
Will chase away all tears.

Now the time is here,
And so we must depart,
But love for thee, dear high school,
Will live in every heart.

CLASS SONG

Words and Music by DONALD FLINCHBAUGH

Always faithful to
thee, dear high
school,
Will we forever be,
We have conquered
many trials,
Only, only for thee.
Steps will resound
forever,
In these loved halls
of yore,
Ours are among
them now,
And they are so true,
Ever to you.

•
We have labored,
we've strived to
better,
We've tried to do
our best.
Soon as men we'll
feel life's struggle,
Thus shall we never
forget
Thee, and thy cher-
ished memories,
Ever to thee we'll
sing,
Praise to our Alma
Mater,
This song shall e'er
Within us ring.

CLASS PROPHECY

PROFESSOR DINGLEHIMER, dean of American science, and professor of mathematics at D. H. S., pointed to the small plastic room and bowed slightly as if to say, "After you." My hesitancy proved my apprehension and I began to wonder whether I had enough courage to enter the renowned scientist's "Time Machine," or "Choronotransit," as he called it. But, I reminded myself that I had my class prophecy assignment to complete, and what better way was there than to actually be projected into the future.

The laboratory assistant with the high brow stood by the maze of Tele-Screen controls and at his nod the complacent Dr. Dinglehimer and I entered the time chamber.

The doors closed behind us and the last thing I remembered as we crossed the threshold of the Fourth Dimension was the whirring and flashing of ironic discharge which quickly lulled into a mental and physcal suspension of nothingness.

After what seemed to be an eternity of space travel from the finite to the infinite, our whirling voyage came to an abrupt stop and my learned companion and I entered the year 1972 A. D.!

We stepped into a new world of engineered curves and cubes and as soon as the modernistic awe wore off, we started toward the American "Who's Who" building where records were kept of every American citizen. Therein I came across the following:

Donna Anderson—Nurse and housewife.
Marvin Bailey—Serving his country in the Marines.
Mary Baeckel—Happily married.
Donald Billet—Well-known carpenter of York County.
Barclay Boyd—Professional ball player.
Julia Burk—Journalist for "Good Housekeeping."
Barbara Daugherty—Nurse.
Neil Deardorff—Enjoying family life.
Vernon Deardorff—An inherited grocery business.
Betty Doman—Private secretary.
Pat Dunlap—A career as a Spar.
Donald Flinchbaugh—Doctor of dentistry.
Richard Flinchbaugh—Serving his country in the Navy.
Bruce Fink—Sports commentator.
Harold Francis—Electrical apprentice at York Corporation.
Glenn Freed—A creator of modern art.
Yvonne Freed—Private secretary.
John Philip Gable—Civil engineer.
Charles Geesey—Electrical engineer.
Dawna Grim—Beautician.
Dean Hartman—Band leader.
Donald Helm—Scrubbing the decks in Uncle Sam's Navy.
Ronald Heindel—Veterinarian.

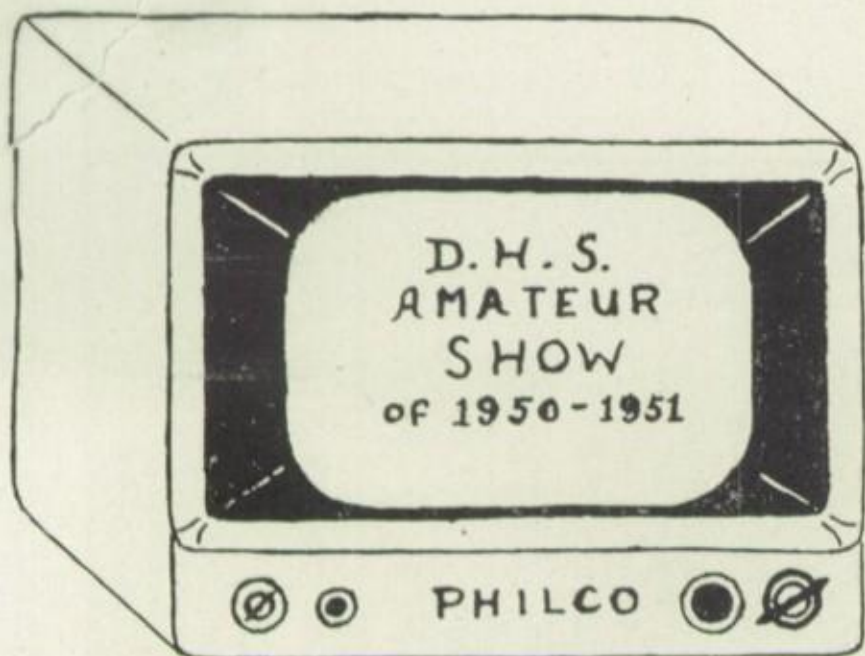

Charles Heisler—Electrical apprentice at York Corporation.
James Herbst—Salesman.
Martha Hildebrand—Doing nicely as a nurse.
Ann Jamison—Also doing nicely as a nurse.
Barbara Kehm—Happily married.
Bill Niece—Working at York Corporation.
Martha Rojahn—Physical therapist.
Jay Shewell—Wearing the uniform of the Army Air Force.
Ed Shue—Branch Cut-Rate business with his dad.
Joyce Seitz—Home Ec. teacher.
Linus Sipe—Secret service man.
Dallas Smeltzer—Elementary boys' instructor.
Jon Smeigh—Chief gunner in the Air Force.
Jack Snyder—Aeronautics.
Peggy Snyder—Housewife.
Ruth Snyder—Doctor's secretary.
Sara Spangler—Private secretary.
Donna Stabley—Head of Nurses at Temple Hospital.
Richard Stiffler—Mason contractor.
Louise Strausbaugh—Beautician.
Ray Strayer—Elementary teacher.
Clair Stump—Contractor.
Bertha Taylor—Nurse.
Darrel Winters—Mechanical engineer.

I think that takes care of everyone in the class. So, with the help of Professor Dinglehimer I was back in D. H. S.

It was a good trip and I had a good time seeing what all my old classmates were doing.

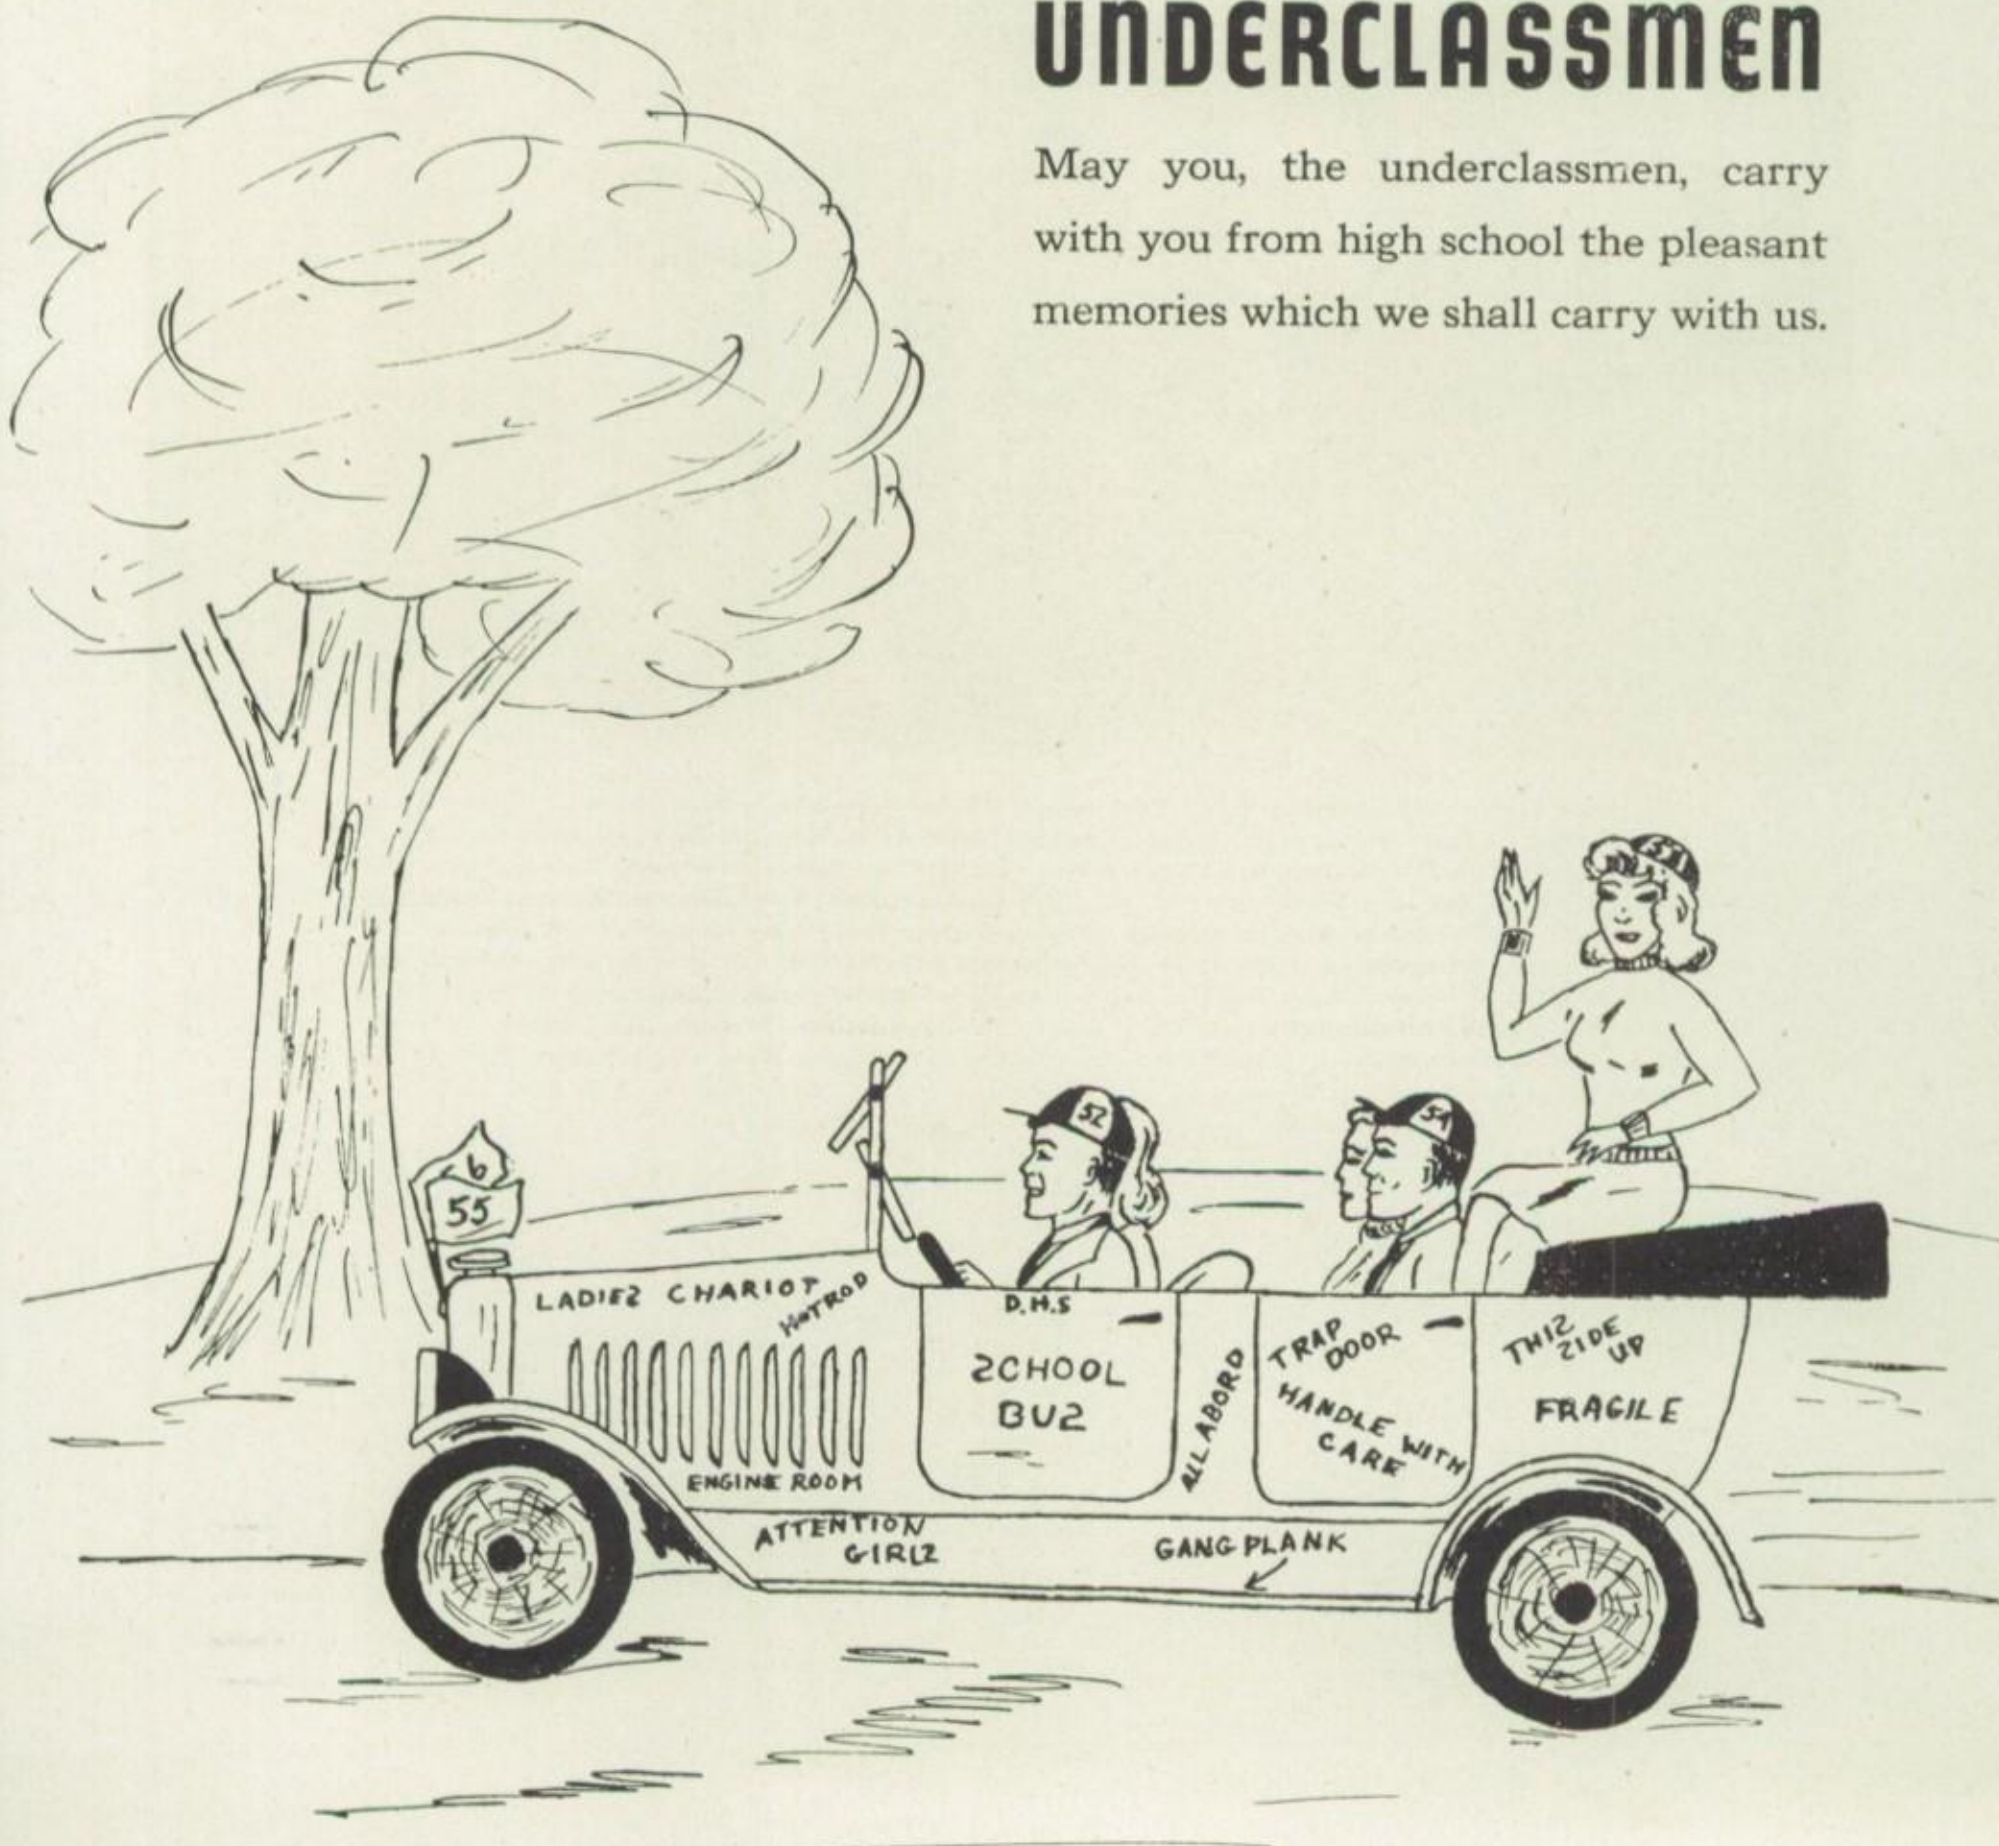

But now that I've thanked the Professor and said "Good-bye," I'll have to hurry home to catch up on some designing projects for Vogue Magazine.

Willie has promised Hannah he will give her fifty dollars towards the Temple of New Dawn Fund. Willie's mother had left him fifty dollars.

Then Freddie Baldwin arrives and he raves about a girl with whom he is madly in love but has never seen. Then he bets fifty dollars that Willie can't say "No" for twenty-four hours. Then Mrs. Van Astor comes and Fred-

die sees that Deanna is the girl he loves. Willie introduces Freddie as the butler to make an impression on the Van Astors. Then, to make matters worse, the milkman he introduces as Freddie Baldwin. Then Mabel, the country cousin, comes to visit and she insults them all by her country ways. Willie then finds out that a famous Stradivarius was missing.

He learns that the violin he bought is the stolen Stradivarius. He then calls the cops and they take it back. The twenty-four hours are now up, he wins the bet from Freddie, he pays Hannah and gives the \$50 to Mrs. Van Astor for the dog fund. Freddie tells Deanna who he really is and they start a romance. THE STORY takes place on the campus of a fashionable girls' school on Commencement Day. The usual crowd is present to witness the crowning of the queen and to join in the festivities that follow.

John Ainsworthy, who comes to see his sister, June, graduate meets Maryida and is much attracted to both her

and her friend Emily Lee, who is a student and an assistant teacher in the school.

Because Maryida's mother does laundry work for the girls in the school to help Red, her son, through college and to keep Maryida in night school, she does not want it known that Red belongs to Maryida and her, fearing it

will hurt Red's standing in college. Red thinks she is foolish and rebels.

John has a discussion on heredity with Professor Breakeasy of the girls' school and to prove that heredity is all "bunk" as he has always believed, decides to send Maryida to the girls' school and give her the same chance that other girls have. Maryida promises her brother, Red, that she will not accept this offer of charity from John. However, when she learns that John's old aunt made the offer and that the Professor thinks she is an ignoramus, she forgets her promise and accepts the offer before the whole school.

Act two takes place on the same campus on Commencement Day one year later. Maryida surprises everyone with her splendid work during the year. She has been crowned queen and everybody is waiting for the finishing event of the day, the Commencement Ball, when it is learned that John's

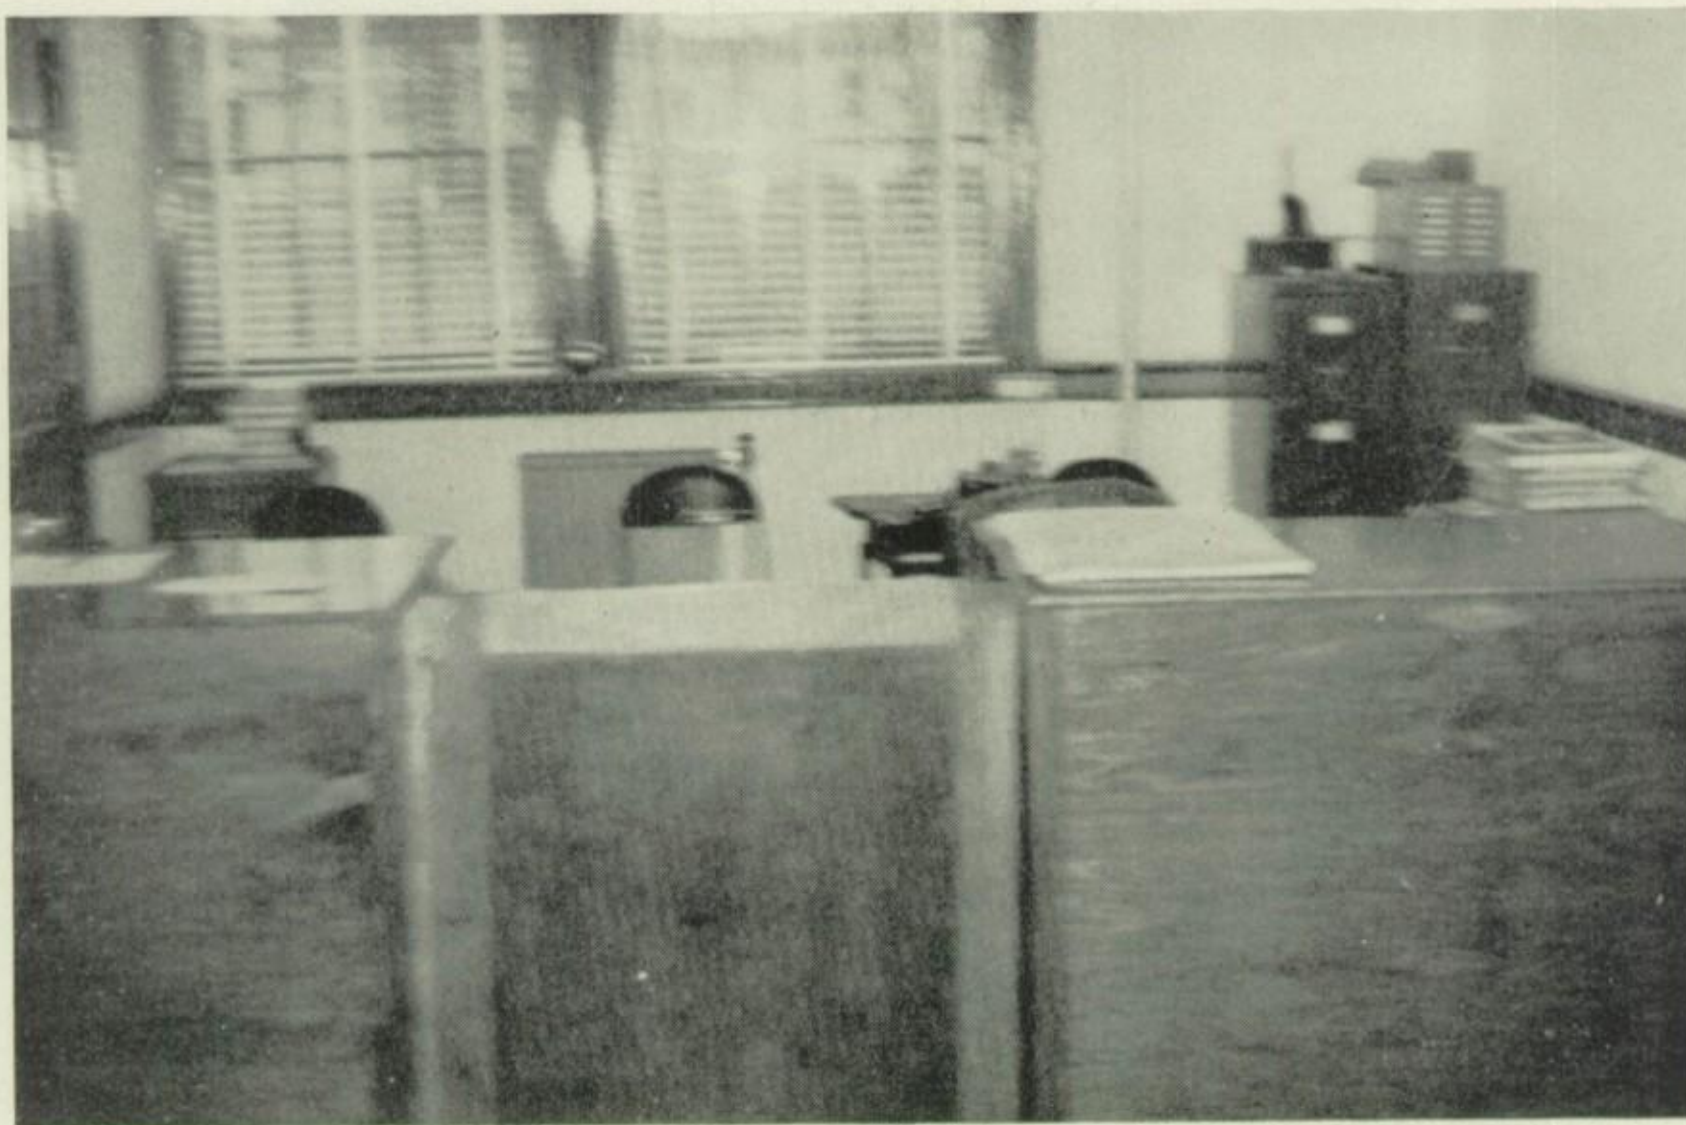

aunt is not coming and Maryida cannot attend the ball as she has no chaperone. Maryida learns that instead of an aunt, June and John have paid her way through school. Miss Stone, the President, angered by their subterfuge, will not allow June to chaperone Maryida, and recalls John and June's invitation to the ball. Maryida leaves for home.

Meanwhile, Red and his Mother arrive. They were summoned by Tommy, the comedian of the play. Tommy is sent to get Maryida on his motorcycle.

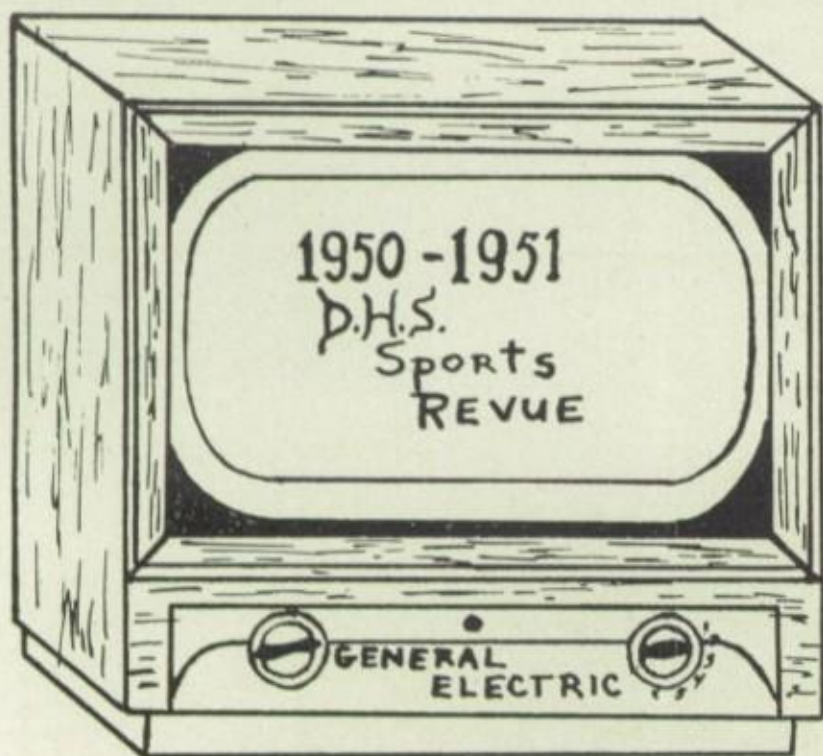

The Professor is overcome by the beauty of Maryida's mother and declares that Maryida's good breeding and fine mind is inherited.

Red, who found a job and won a prize for an invitation, pays Maryida's debts. The President forgives the kids and Red and Maryida make good and all ends happily.

WILDCATS WIN OPENER

September 23, at Dallastown

Dallastown High's 1950 football edition got off to a flying start as they smothered Patton School under a six touchdown barrage for a 39 to 6 victory. The Wildcats dominated the entire game, scoring in every period. The accurate passing of Quarterback Tommy Conway was greatly responsible for many TD's. Big Bark Boyd was the sound ng gun as he cracked the Patton opposition for three Wildcat six-pointers. Paul Snyder had sticky fingers as he snatched two Conway heaves for scores. Co-captain Ron Heindel also figured in the scoring as he caught a pass and raced over to paydirt.

WILDCATS ROMP TO 49-7 VICTORY

September 30, at Dallastown

Dallastown's Wildcats gridmen with their powerful steamroller offense rolled to a decisive 49-7 victory over a visiting York Springs club. The Wildcats, displaying skill in every way, practically scored at will against the York Springs eleven who, although outclassed, kept pecking away at the D. H. S. defense. It took but six minutes for the most feared team in the Laurel Conference to grab the opening kickoff and march downfield to the first touchdown. The accurate passing of Tom Conway was the big gun in the D. H. S. attack. Of the eight touchdowns scored, five of them came on passes from Conway. Heindel was the top man on the ground, scoring on two eighteen-yard off-tackle plays. Boyd also scored on a ground play through the middle, going ten yards.

WILDCATS DOWN STEWARTSTOWN 29-6

October 7, 1950, at Stewartstown

The undefeated football team of D. H. S. rolled to a third straight victory and its second Laurel Conference win. Three running plays, a blocked kick, and a bad pass from center all combined to make up Dallastown's winning 29 points. Bark Boyd got the pro-

cedure underway as he took a comet boot and scampered to the Stewartstown 28. He then went over to score the first Dallastown touchdown. Ron Heindel, Butch Strayer, Paul Snyder, and Jim McKinsey each contributed a TD for D. H. S. to contribute to the winning cause.

D. H. S. GRIDDERS TOP YORK RESERVES

October 14, 1950, at Dallastown

Dallastown High's football machine kept their unbeaten record intact by defeating the York High Reserves 24-0. For the Wildcats, it was their fourth straight victory without a setback. The first score of the game came on a brilliant 69-yard sprint by Ronnie Heindel on the second play of the game. York High's Reserves were unable to gain any ground against Dallastown's powerful defense and were able to get the ball over the midfield stripe but two times. D. H. S. scoring attack was bolstered by Bark Boyd who scored two touchdowns, both on line plunges. Ronnie Heindel scored the third paydirt marker on an end around sweep and Paul Snyder, the final on a 25-yard pass.

DALLASTOWN WALLOPS WASHINGTON TWP.

October 19, 1950, at Washington Twp.

A highly-rated Washington Township High team of near Waynesboro was crushed by the unbeaten power of Dallastown High by the count of 39-6. Coach Charlie Leber's charges took no chances with the Township club who, going into the game, was tie for the leadership. In winning the game the Wildcats took over sole possession of first place and were in a good spot to title. Four men shared in the scoring of the winning combination. Bark Boyd crossed into "paydirt" three times while Conway, Heindel and Kern each scored once.

D. H. S. GRIDMEN DOWN NEW FREEDOM

Coach Charlie Leber's squad, and its fourth Laurel Conference win. Fleet-footed Ron Heindel and pile-driving Bark Boyd joined forces to spark the high-gear attack. Heindel broke loose for two TD's and set up a third on a beautiful 43-yard gallop. Boyd crashed off tackle for the Wildcats' initial tally. Substitutes accounted for a large part of the second half play, and the Blue and White understudies gave a highly creditable account of themselves.

GRID WILDCATS SWAMP LITTLESTOWN

November 4, 1950, at Littlestown

Piling up touchdowns on the ground and through the air Dallastown High's powerful football juggernaut, undefeated in six starts, captured the Laurel Conference crown with a convincing 51-to-0 slaughter over Littlestown's eleven. Nearly 2000 rain-drenched fans saw the devastating D-town attack roll on undisturbed by the mud or the opponent. Ray Strayer was the outstanding star collecting four Wildcat TD's. After five plays, Boyd scored the first marker on an 18-yard jaunt around end. Strayer quickly made an interception and breezed 68 yards to score. His other TD's came on sprints of 66, 37, and 61 yards. Boyd scored his second six-pointer on a seven yard plunge. Ron Heindel and Jim McKinsey also scored for the Wildcats.

D-TOWNERS DUMP MARYSVILLE

November 11, 1950, at Marysville

Dallastown High ended its 1950-51 football season undefeated by disposing of a somewhat stubborn Marysville eleven at Marysville. Coach Charlie Leber's lads scored once in every period with Boyd and Heindel accounting for two each. Heindel scored early in the opening period and Boyd pile-driven over in the second quarter. D-town received a scoring opportunity early in the third quarter when Marysville gambled on a fourth down, one yard play and was repulsed by the staunch Wildcat forward wall. The "Cats"

took over on the 31-yard line of Marysville and pushed it to the 11-yard stripe before Boyd plunged over. Marysville was unable to move against the D-town line and took to the air late in the third period only to have them intercepted by alert D. H. S. defenders.

WILDCATS DOMINATE ALL-STAR

Dallastown High's "Wildcats," 1950 champions of the Laurel Conference, placed five men on the conference all-star team selected by sportswriters, coaches, and circuit officials.

The top vote getters were Ron Heindel, fleet-footed D. H. S. halfback and Bark Boyd, big 200-pound plunging fullback, both stars in the Wildcat backfield. Another Dallastown back, Tom Conway, was selected as all-star handoff man at the quarterback slot.

In the forward wall, two D-town pluggers filled spots at guard and tackle. Co-captain Dallas Smeltzer won a guard post while battler Linus Sipe held down a tackle position.

Dallastown placed three on the second team. They were Ray Strayer at a halfback spot, Paul Snyder at end, and Jon Smeigh at center.

CATS CRIPPLE CODORUS

January 9, 1951, at Codorus

The Leber charges traveled to Glenville to meet the Codorus High quintet. The Wildcats suffered a slight slump in the opening quarter and held a meek 17-to-14 halftime lead. In the second half things changed considerably as the Wildcats got going and the lads held the Codorus boys to three points the rest of the way.

D. H. S. CRUSHES STEWARTSTOWN

January 12, 1951, at Dallastown

The D. H. S. Wildcats greeted their rivals from down in Stewartstown with a thundering scoring barrage to walk away with an easy 60-to-15 massacre. The game started slow as the Comets attempted freeze variation. This was quickly broken by the tactful Wildcats who then began their scourge of the court.

LEBERMEN DOWN DELTA

January 19, 1951, at Delta

Dallastown High's hoopsters skipped over hill and dale to Delta-on-the-state-line to meet the Delta High quintet. WILDCATS TOPPLE KREUTZ CREEK

February 2, 1951, at Dallastown

February 16, 1951, at Dallastown

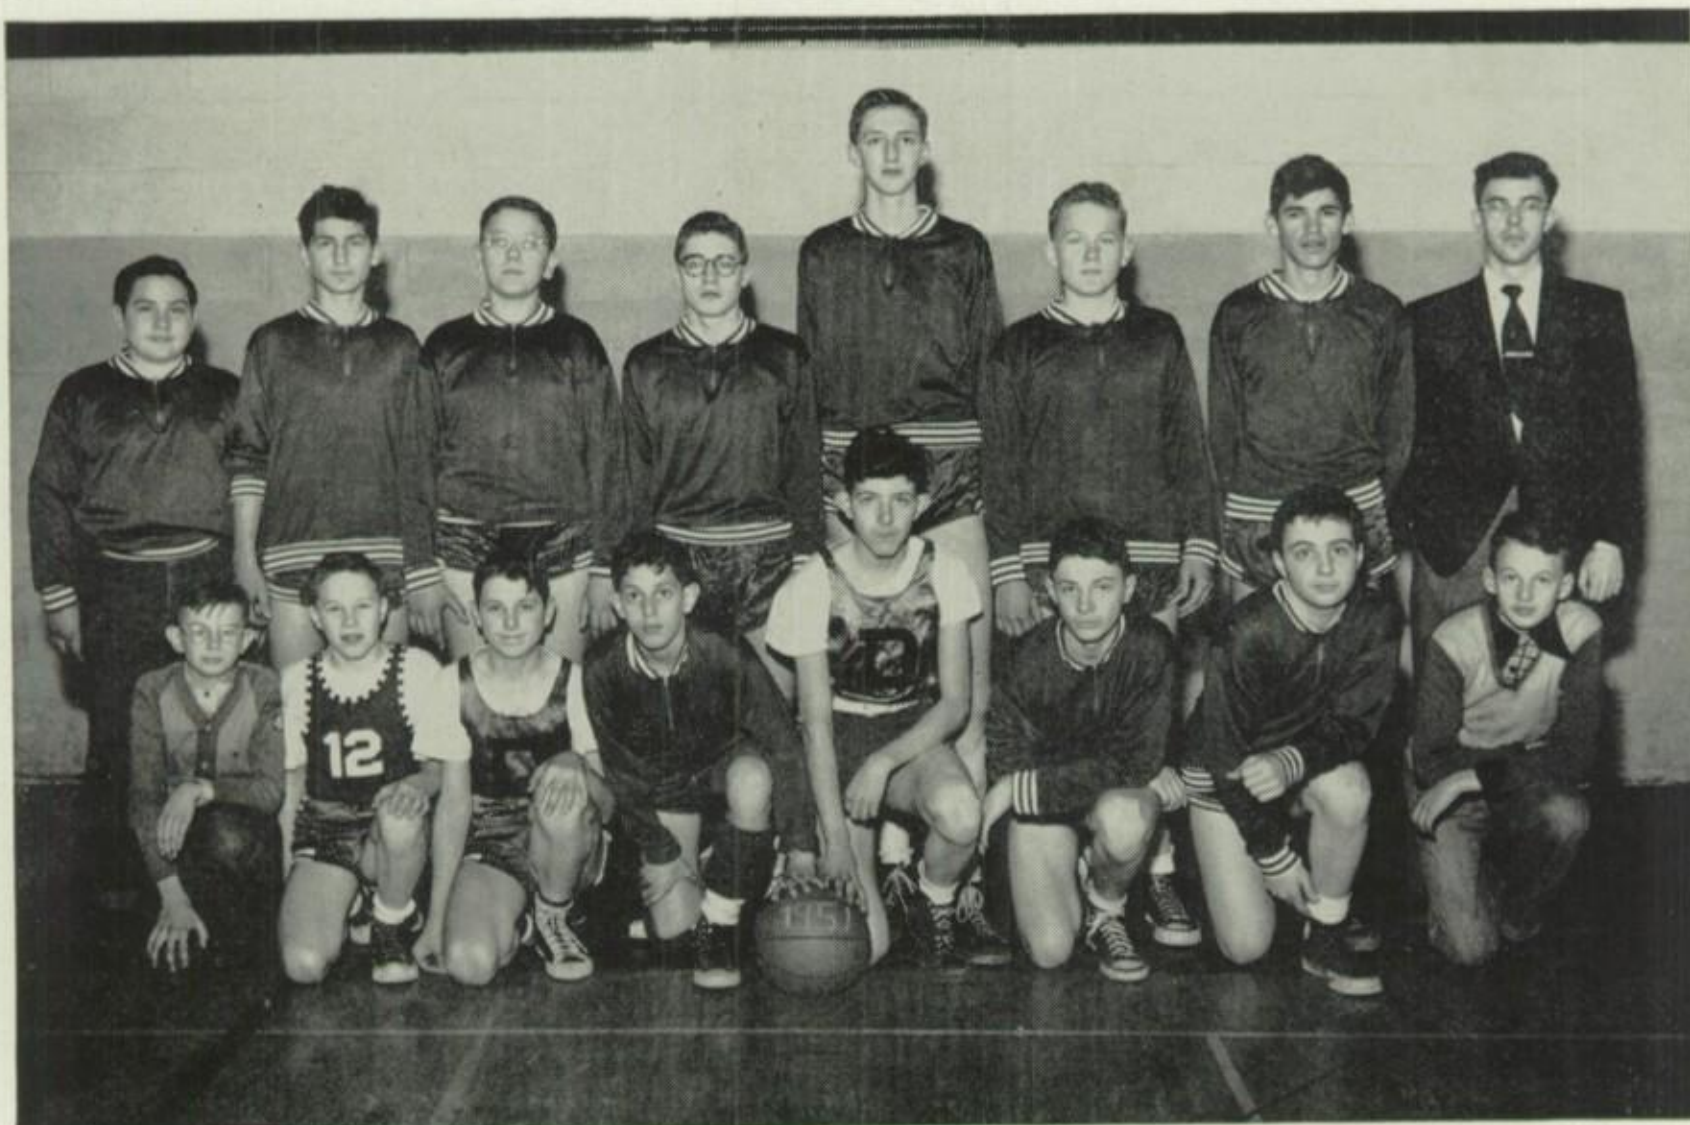

Dallastown's newly-crowned Southern Division champions upped their undefeated string of 11 league wins to 12 as they ran roughshod over Delta High on their home court. February 25, 1951, at York

Dallastown High's 1951 Southern Division titleholders continued their winning ways as they captured the York County Scholastic Basketball crown for the second straight year by downing the Northern Division winners from North York High. The Wildcats quickly eliminated the problem of the height and ran the North York dribblers ragged with their speedy passing and fast breaking. DALLASTOWN COEDS TOPPED BY DOVER

Dallastown High Coeds faced a tough job of playing Dover, the defending champions in their second league tilt on their home court. Martha Rojahn led the scoring attack for Dallastown with a total of 22 points.

DALLASTOWN TRIPS STEWARTSTOWN

Faced with playing on a small Stewartstown court, Dallastown managed to win their first league game in three starts by a score of 22-20. The game was nip and tuck from beginning to end with Faith Rojahn's last minute goal deciding the victor to be Dallastown. The three starting forwards each contributed an equal amount of points to clinch their first victory.

DALLASTOWN DEFEATED BY WEST YORK

Height was the main factor against Dallastown when they were beaten by West York by a score of 36-45 on the West York floor. At halftime the score board read 27-14 in favor of West York but the second half the Dallastown Coeds fought back grimly and narrowed the score to only a nine point margin when the final whistle sounded. Faith Rojahn received the top scoring honors by netting 15 points.

DALLASTOWN SURPRISES NORTH YORK

Dallastown won their second league game by defeating a favored North York team by the score of 35-29 on the North York court. eight points. Faith Rojahn scored 15 points for the victors.

DOVER GIRLS DEFEAT DALLASTOWN

Dallastown girls journeyed to Dover looking for their third league win but were set back by a score of 35-23. Dover got off to a fast start by scoring 16 points in the first quarter to Dallastown's 4. Dallastown couldn't catch the champs although they outscored Dover in the last two quarters. The twelve point difference was the largest margin by which the Dallastown Coeds lost in the entire season.

DALLASTOWN DEFEATS STEWARTSTOWN

When Dallastown girls met Stewartstown on their home floor it proved to be a different story as they defeated Stewartstown Coeds by a score of 39-21. At half-time the score was 16-15 with Dallastown on top by one slim point. The second half Dallastown Coeds rolled up a total of 23 points and held the losers to seven. Joan

Conway led the scoring attack with 15 points.

WEST YORK TRIPS DALLASTOWN

Hoping to clinch their fourth and final league victory Dallastown met West York on their home court only to lose a heartbreaker by a slim three points. At half time the score was 14-9 with West York on top but once again Dallastown came back to narrow the gap to three points when the final whistle sounded. The final score was 24-21 with Faith Rojahn collecting 14 points for Dallastown High.

DALLASTOWN HIGH WALLOPS ALUMNI

The Wildcat Coeds ended their 1951 season by defeating the Alumni 47-14. For the first time in the season Dallastown High got off to a fast start by netting 18 points in the first quarter. During the whole game Dallastown was never headed and at the end of the first half the coach, Miss Allen, enjoyed sending in the second string to finish the game.

Joan Conway scores.

BOYS' SENIOR TRACK

DALLASTOWN HIGH'S tracksters loaded with champions are cut to repeat as Champions not only of the County but also the District. The senior class boasts two speedsters in veterans Bruce Fink and Bark Boyd. In the high jump another champ, Ron Heidel, is performing.

Other seniors are Linus Sipe, Richard Stiffler, Dean Hartman, Clair Stump, Darrell Winters and Dallas Smeltzer.

The schedule is:

April 18—Delta
April 21—Shippensburg
April 23—Spring Grove
April 25—Hanover and Carlisle
April 28—Penn Relays

May 2—Shephard Relays

BOYS' JUNIOR TRACK

DALLASTOWN'S Junior High lads suffered a stormy season as they were able to salvage only two league encounters. Mr. Robert Hays deserves a lot of credit for taking up the coaching reins of a floundering club in mid-season. The Junior High speedsters have a powerful track team which has set its efforts to winning the County title which they dropped by four points last season. The top speed merchants are Gary Schroeder, Gerry Attig, David Kern and Dean Wise.

GIRLS' SENIOR TRACK

Left to Right, First Row: Delores Ehrhart, Miss Allen, JoAnn Kell, Faith Rojahn. Second Row: Barbara Kehm, Gertrude Markley, Aylene Rupp, Ellen Keeney, Doris Herbst, Susan Sellers, Ann Leber, Donna Gemmill, Patricia Dunlap, Shirley Runkle.

THE GIRLS' TRACK TEAM was very successful last year by capturing first place in the York County Scholastic Field Meet, winning three out of four events. Being defending champions this year, the girls hope to better this record by taking first place in all four events which are: 50 yard dash, 200 yard medley relay, the baseball throw, and the basketball throw.
